IMPACT HUB Berlin

Certificate of Completion

AI Stewardship Program

Maaike Hoogstede

This Certificate is awarded to

22.10.2025

Date of completion

Congratulations for completing the AI Stewardship training program engaging in 10+ hours of collaborative learning on responsible and impactful uses of artificial intelligence in October 2025.

As an AI Steward, the participant is encouraged to share knowledge, support their community, and promote responsible AI adoption.
